Section 7: Document Requirements and Application Procedure

Document Requirements

- A. The following must be mailed DIRECTLY to IERF by the training institution(s):
 1. The IERF **Training Verification Form (TVF)**, which can be downloaded from our website at <http://www.ierf.org/applications.asp>.
- B. The following must be mailed to IERF by the applicant:
 1. **Original Diplomas/Graduation Certificates** issued in the original language (indicating that a degree/qualification has been earned or that a program of training has been completed)
 2. **English translations**, if the documents are not officially issued in English
 3. If the school where you were trained has closed down and the educational records have not been archived at another academic institution, please submit a letter to IERF that explains your case.
 4. Other supporting documentation (i.e. professional license, proof of name change, etc.), if applicable

Application Procedure

1. The state licensing board to which you are applying requires that IERF evaluation reports include training hours. In order for this Service to include the number of training hours that you completed, please submit the **Training Verification Form**, sent directly to IERF by the institution(s) of study. Without verification of hours of training, we may not be able to recommend full credit for the program you completed. We are unable to proceed with your evaluation without the TVF (if your school has closed down, please submit a letter to IERF that explains your case).
2. As required by all state boards, your evaluation will be addressed and mailed directly to the Board.

Request for Additional Information

Be certain that you have all the necessary documents before sending your application, as missing documents will delay the processing of your evaluation. Please note that at any time during the evaluation process, IERF reserves the right to request original documents, additional documents, and/or that documents be sent directly to IERF by the issuing institutions. Please submit the requested documentation and/or fees **within 4 months**. Otherwise, your case will be closed and a \$80 fee will be required to re-open your case.

Section 8: Terms and Conditions

1. **Advisory** – The evaluation reports prepared by IERF are advisory in nature and in no way limit an agency or institution in making its own determination as to the level of education and allocation of credit to be allowed for the foreign credentials. The evaluation report, based on IERF research, may differ from the applicant's own interpretation or that provided by another party.
2. **Agency Criteria** – Any questions concerning specific requirements and procedures for licensure, employment, or admissions criteria should be addressed by the applicant to the appropriate licensing board, agency or institution.
3. **Altered or Irregular Documents** – If forged, altered, or falsified documents are submitted to IERF, the request for evaluation will be immediately cancelled. All documents (original and photocopies) become the property of IERF. No refund will be issued. The information will be made available to the appropriate parties (academic institutions, government agencies, professional organizations and other evaluation services).
4. **Applicable Law** – In the event of any disputes between the applicant and IERF, such disputes shall be governed by California law and shall be subject to the jurisdiction of the Los Angeles County courts.
5. **Contact** – IERF services are conducted solely by regular mail and the internet. Academic records, however, may only be submitted by regular mail or Courier Service.
6. **Correspondence** – Changes to an application must be submitted in writing. Once the evaluation is completed, an applicant has 90 days from the date of issue of the evaluation report within which to raise any questions concerning its content. Thereafter, the file will be closed.
7. **Damaged or Lost Documents** – Original documents submitted by the applicant are returned by a secure mailing service. While every effort is made by IERF to ensure the proper handling of educational documents, IERF accepts no liability related to the loss or damage of documents.
8. **Limited Liability of Service**
 - a) **Delay**: While every effort will be made to complete the evaluation within the requested timeframe, IERF cannot guarantee processing times and assumes no liability related to the delay of an evaluation report.
 - b) **Report**: IERF shall not be responsible for any incidental or consequential damages that an applicant may incur if the educational equivalency anticipated by the applicant is not issued as the evaluation report, based on IERF research, may differ from an applicant's interpretation or that provided by another party. IERF shall not be liable for any damages resulting from the use of the evaluation report. Furthermore, the applicant agrees to reimburse IERF for any and all costs, including legal expenses, which may incur as a result of any claim that the applicant (or anyone having any interest in the applicant's earnings or services) may make, based on the recommended equivalency.
9. **Reassessment of Equivalencies** – IERF bases its evaluation analysis on the best information available to professionals in applied comparative education in the United States at the time when the evaluation is made. When additional information becomes available, IERF reserves the right to reassess educational equivalencies when copies of an evaluation report are requested.
10. **Re-Evaluation Request** – Evaluations based on documents not submitted with the original request are considered to be new evaluations, and a new payment of the fee is required. Requests to change a General Report to a Detail Report (or the reverse) will be subject to the fee applicable to that report. The amount paid for any previous evaluation report is not credited toward the charge for a re-evaluation.
11. **Refunds** – No refunds will be issued once an application has been submitted, even if the applicant disagrees with the evaluation.
12. **Returned Checks** – a check that is returned due to insufficient funds is subject to an additional \$30 fee.
13. **Verification** – IERF reserves the right to contact educational and governmental institutions for additional information and/or verification of the authenticity of the credentials submitted, including, but not limited to, sending copies of credentials to the institution.
14. **Authorization for Release** – IERF may release information about an applicant's status including copies of educational records where these are required by the agency for whom the evaluation is being prepared. If needed, IERF may also release an applicant's contact information to the designated recipient(s) of the evaluation report.
15. **Refusal of Service** – IERF reserves the right to refuse service to anyone.
16. **Educational Records** – Educational records sent directly to IERF by an educational authority will become the property of IERF and will not be released to the applicant.
